Prophetic Warnings from Marian Apparitions & Locutions

Marian apparitions have occurred throughout history, beginning in 40 A.D. with Our Lady of the Pillar, when the Blessed Virgin appeared to Saint James in Spain via bilocation while she was still alive. Subsequent appearances occurred in 352 A.D. in Rome (Our Lady of the Snows), in the 930s A.D. in Norfolk, England (Our Lady of Walsingham), and throughout the medieval period into the early modern era, culminating in her appearance as Our Lady of Guadalupe in Mexico in 1531. Many of these early apparitions centered on requests for the construction of shrines, churches, and basilicas, as well as for Marian titles, icons, and feasts. Beginning in the 19th century, the apparitions began to assume a tone of direct heavenly intercession: reprimand, instruction, and dire warnings regarding a worldwide deviation from the Faith and what would occur if mankind did not reform and repent. They foretold of potential calamities that would befall the Catholic Church and the world if the warnings were not promulgated and obeyed.

What follows is a chronicle of some of the significant points of these recurring warnings, which have resounded throughout the various apparitions up until the present day. Rather than a full, in-depth recounting of each apparition in chronological order, the forewarnings themselves become the focus, supported by the words of the Blessed Virgin, Jesus Christ, and St. Michael the Archangel, drawn from the associated apparitions. The addressed themes of these apparitions include: Loss of Faith; Apostasy in the Church; The Warning; The Miracle; Fall of the Catholic Church; Resurrection and Restoration of the Church; The Chastisement (Civil War/Revolution, Regional Wars, Plagues, Natural Disasters, Prescriptions to Slow, Shorten, or Ease the Chastisements); and A Temporary Period of Peace. The words of the apparitions are presented without commentary.

Loss of Faith:

La Salatte, France, 1873-1941:

[Blessed Virgin] *The Holy Faith of God is being forgotten; each individual will want to guide himself and to be superior to his fellowman. They will abolish civil and ecclesiastical powers; all order and justice*

will be trampled on; one will see only homicide, hatred, jealousy, lies, and discord without love for country or for family ...

My beloved children, all is engaged in an irreparable loss, I mean the salvation of the souls of children. The nourishment of these poor little souls should be for them the bread of love of their Immaculate Queen, the Queen of Heaven. I suffer to see these souls as pastures delivered to the enemy of the salvation of souls ... Most of these children have entered the path of corruption ... those carefree mothers who no longer have the Faith, those guilty fathers thrown into circles where they do nothing but offend my Divine Son. In Heaven, what a responsibility they will have and how many counts they will have to render! They do not think about that ...

[Jesus Christ] *I see a multitude of souls that are lost, especially children, even those who do not have the age of reason ... Children are educated now as adults. What shameful words ring in their ears and echo in their mouths! ... It is awful and terrible ... Parents laugh, hearing what their children say, and they leave them entirely at liberty to their actions.*

Tilly-Sur-Seulles, France, 1886-1913:

[Blessed Virgin] *My children, all ... you see is nothing compared to the misfortunes and punishments of all kinds, which have been announced, and which they mock so much ... It will be necessary to repair the outrages committed on all sides. Most of them, on Sundays, do not go to Mass: that is what insults my Divine Son! The others blaspheme: that is what insults my Divine Son! Many others already outrage the Holy Tabernacle ... The children, they make them blaspheme. The holy name of God is no longer respected in most families, but the good Master will chastise them.*

If God has not yet struck, it is because, in His goodness as Father, He has waited for the return of sinners; and today, what has He received from this expectation? What blasphemies ... And yet my Divine Son, in His goodness, has made known to them all the misfortunes that threaten them with the warnings He sends them ... Pray, my dear children, for soon I will no longer be able to stop this divine anger which will be sent from the Divine Master.

Medugorje, Bosnia-Herzegovina, 1981-present:

[Blessed Virgin] *One day, Satan appeared before the throne of God and asked permission to submit the Church to a period of trial. God gave him permission to submit the Church to a period of trial. God gave him permission to try the Church for one century. This century is under the power of the Devil, but when the secrets confided to you come to pass, his power will be destroyed. Even now, he is beginning to lose his*

power and has become aggressive. He is destroying marriages, creating division among priests, and is responsible for obsessions and murder. You must protect yourselves against these things through fasting and prayer, especially community prayer. Carry blessed objects with you. Put them in your house, and restore the use of holy water.

In the world, there are so many sins. What can I do if you do not help me? Remember that I love you. God does not have a hard Heart. Look around you and see what men do, then you will no longer say that God has a hard Heart. How many people come to church, to the house of God, with respect, a strong faith, and love of God? Very few! Here you have a time of grace and conversion. It is necessary to use it well ... My angel, pray for the unbelievers. They will tear their hair; brother will plead with brother, and they will curse their past godless lives and repent, but it will be too late. Now is the time for conversion. Now is the time to do what I have been calling for these four years. Pray for them.

Apostasy in the Church:

La Salatte, France, 1846:

[Blessed Virgin] *The priests, ministers of my Son, through their bad life, through their irreverence and their impiety in their celebrating the Holy Mysteries, have become cloaks of impurity... Woe to priests and to people consecrated to God who, through their infidelities and their bad life, crucify once again my Son! The sins of the consecrated people scream towards Heaven and call for vengeance. There is vengeance at their door for there is no longer anyone to implore mercy and forgiveness for the people; there is no longer any generous soul; there is no longer anyone worthy to offer the Stainless Victim to the Eternal One in favor of the world ... God will strike in a fashion like none other than before ...*

... Let the heads of religious communities be on their guard against the people they must receive because the devil will use all of his malice to insert inside religious orders people who are abandoned to sin, for the disorder and the love of carnal pleasures will be widespread everywhere on earth.

La Fraudais, France, 1873-1941:

[Jesus Christ] *I see them embrace the religion with a merry heart, without thinking about Me, nor about the Church, nor of their baptism, nor of all that is good for the Christian soul ... appearing ... sacrilegious, infamous, and similar to that of Mohamet ... I see Bishops, many, so many of them, and in their following, all their flock without hesitation; they are rushing into damnation ... They will erase all*

memory of primary religion and they will teach and impious one ... They lose their respect even in the confessionals! They come out of the boundaries that the Church imposes on them, and they are the cause of a great part of the offenses made to her. Woe to the priests who do not think of the immense responsibility they will have to render to Me! ... Soon they will be terribly punished ... Respect priests, it is I who judge!

I give you a warning even today. The disciples who are not of My Holy Gospel are now involved in a great work of the mind in order to form a second Mass, a copy of sorts, when they will make to their idea and under the influence of the enemy of souls a Mass that contains words odious in My sight ... Many of my holy priests will refuse this book sealed with the words of the abyss. Unfortunately ... this book will be used.

Fatima, Portugal, 1916-1917:

[Blessed Virgin] ... *What I revealed at La Salette, through the children Melanie and Maximin, I repeat today before you. The human race has sinned and trampled with its feet the gift that was bestowed on it. Nowhere does order reign. Satan has reached the very highest places and decides the march of events. He will succeed in introducing himself into and reaching the highest summit of the Church ... But a time of severe trials will also come for the Church. Cardinal will oppose cardinal, and bishop will oppose bishop ...*

[Jesus Christ] *Pray for the Holy Father; sacrifice yourself so that his heart will not succumb to the bitterness that oppresses him. The persecutions will increase; I will punish the nations with wars and famine; the persecutions against My Church will weigh heavily upon My Vicar on Earth ...*

Garabandal, Spain, 1961-1965:

[Blessed Virgin's message delivered by St. Michael the Archangel] ... *Preciously, the Cup was filling up; now it is brimming over. Many cardinals, many bishops, and many priests are on the road to perdition and are taking many souls with them. Ever less importance is being given to the Holy Eucharist. You should turn the wrath of God away from you by our own efforts at amendment ...*

The Warning:

La Salatte, France, 1846:

[Blessed Virgin] *Wait for that which must arrive: an inner distress will be felt by all, a preview of the Justice of God ... My children, sometime before these sinister signs are sent onto the Earth, they will already feel in their hearts the effect of My justice; it will be that the heart will say the time is not far away. But a grace of peace is reserved for faithful Christians, those who have not disregarded the warning of Heaven and who will conform their lives.*

[Jesus Christ] *My people, My people, My people, your eyes will see the beginning of the terrible hour ... At the moment when My people will only have Faith and Hope to arm itself ... lasting for four hours ...the sun will be like a veil of mourning; it will be darkened, without light ... forewarning the real darkness that will arrive 37 days after the signs of the darkening of the sun, and of the signs of the earth and of the announced storm.*

[Holy Spirit] *There will be two days of horrible darkness ... The sky will be purple and red, so low that the clump of tall trees will appear to be lost. These two days will warn you, as an authentic proof of His goodness, as proof of descent of the wrath of God on earth. You will not be free from the darkness.*

[Jesus Christ] *There will be three days of physical darkness. For three days less one night, there will be a continual night. The blessed beeswax candles will be the only ones that give light in this terrible darkness: only one will suffice for three days, but in the homes of the wicked, they will not give any light. During these three days and two nights, the demons will appear under the most hideous forms. You will hear in the air the most horrible blasphemies. The lightning will enter your homes, but will not extinguish the candles; neither wind, nor the storm can put them out ... no windows must be opened ... no one will be able to see the earth ... in those days of punishment without dying.*

[Blessed Virgin] *The Earth will be covered in darkness, and Hell will be loosed on Earth. The thunder and lightning will cause those who have no faith or trust in my Power, to die of fear ... During these three days of darkness, let the blessed candle be lit everywhere; no other light will shine ...*

[Jesus Christ] *The crisis will break out suddenly. The chastisements will be common in the world. It will swell up and will succeed one another incessantly. When my people fell into indifference, I began to threaten it. Today, it deserves My Justice. I came on earth; they want Me out, taking away My Holy Tabernacle, reversing My Cross, and ignoring my Power.*

Garabandal, Spain, 1961-1965:

[**Conchita Gonzalez, Visionary**] “The Virgin told me about this on January 1, 1965, up in the pine grove. I cannot say what it will consist of because she did not command me to do so ... What I do know is that it will be visible to everybody; it will be a direct work of God and will take place before the miracle. I do not know whether people will die because of it. They could only die from the shock of seeing it.”

“It will not kill us. It will be a ‘correction’ of our conscience. It will cause great fear and will make us reflect within ourselves on the consequences of our own personal sins. It will be like a warning of the punishment to come ... In this way, the world will be offered a means of purification to prepare itself for the extraordinary grace of the Great Miracle.”

The Miracle:

Tilly-Sur-Seulles, France, 1886-1913:

[**Blessed Virgin**] A great miracle is going to take place, and many more will follow. Do not be discouraged. You must pray, pray well.

Garabandal, Spain, 1961-1965:

[**Conchita Gonzalez, Visionary**] “The Virgin told only me about the miracle. She forbade me to say what it will consist of. I cannot reveal the date until eight days beforehand. What I am allowed to say is that it will coincide with an event in the Church, and with the feast of a saint who is a martyr of the Holy Eucharist; it will be half-past eight on a Thursday evening; it will be visible to everyone in the village and on the surrounding mountainsides; the sick who are present will be cured and the incredulous will believe. It will be the greatest miracle that Jesus has worked for the world. There will not remain the slightest doubt that it comes from God and is for the good of mankind. In the pine grove, a sign of the miracle will be left forever. It will be possible to film and televise it, but not touch it. It will be clear that it is not of this world but of God ... It will be between the eighth and the sixteenth of March, April, or May.”

Fall of the Church:

La Salatte, France, 1846:

[Blessed Virgin] *Woe to the Princes of the Church who will be busy to amass wealth upon wealth, to safeguard their authority, and to dominate with pride! My Son's Vicar will have to suffer a great deal because, for a time, the Church will be delivered to a great persecution; it will be the time of darkness. The Church will have a ghastly crisis ...*

La Fraudais, France, 1873-1941:

[Holy Spirit] *Everywhere in almost all of France, the country will rise against the Church. They will spread, without rest, abominable articles on the Faith and on the Church, which the world, without hell, would never have been able to invent on its own: the disgraceful enemies of the Savior God, who assemble in the Lodges and fill them. The moment approaches. They will rise full of hope to throw mud and scandal upon the apostles of God and upon His Church. It is through them that the youth forgets its Creator and Redeemer ...*

[Jesus Christ] *Woe to the priest who does not reflect on the enormous responsibility, which he will have to give account back to Me. And the Pastors of the Church, what will they do for the Faith? A great number is ready to give up their Faith to save their bodies ... In a short time, the Pastors of the Church will have spread great scandal everywhere and will have given the last sword thrust to the Church.*

[Blessed Virgin] *For a period of time, all the works approved by the infallible Church will cease to exist as they are today. In this sorrowful annihilation, brilliant signs will be manifested on earth. If, because of the wickedness of men, Holy Church will be in darkness, the Lord will also send darkness that will stop the wicked in their search of wickedness ... Pray much for the Church, for the priest and for sinners, for those who are going to rise up in disorder and re-crucify my Son. My children, make the Way of the Cross, which in next to no time, will bring many souls to Heaven ... Receive often Holy Communion, and say the rosary.*

Tilly-Sur-Seulles, France, 1886-1913:

[Blessed Virgin] *You must pray for everything that happens in a large part of the clergy. O my children! These things are appalling! When I see the enemies of my Son, who lead my children to death; when I see these enemies present their deceitful promises to many who carry the priesthood of my Divine*

Son, I see them, these souls descend into the hollow of abysses, and I also see the Divine wrath that will strike! All the words that I brought to the earth, most rejected them, and even trampled them ...

All the misfortunes, which I have come to announce on the mount of La Salette, will arrive. The clergy trod on my words at their feet; they laughed; they did not want to do anything; they did not want to hear me! And today their hearts are going to be tortured, for lack of faith in my words. Hear, they turn a deaf ear to my call! ... Their hearts are harder than stone! Only the punishments that will strike will make them see their cowardice against me!

Fatima, Portugal, 1916-1917:

[Blessed Virgin] *In Portugal, the dogma of the Faith will always be preserved. A great chastisement will fall on the entire human race ... No longer does order reign anywhere, and Satan will reign over the highest places, directing the courses of events. He will succeed in infiltrating the top of the Church. Also, for the Church, a time of her greatest trials will come. Cardinals will oppose cardinals, bishops will oppose bishops, and Satan will march himself amidst their ranks, and in Rome, there will be changes. What is rotten will fall, and what will fall will never rise again. The Church will be darkened and the world deranged by terror. A great war will break out ... Fire and smoke will fall from the sky. The waters of the oceans will be turned to steam, hurling their foam towards the sky; sinking everything ... Millions and millions of men will lose their lives from one hour to the next, and those who remain living will envy those who are dead. Death will reign everywhere for the errors committed by the foolish and by the partisans of Satan, who then and only then will reign over the world. At last, those who will survive all of these events will once more proclaim God and His Glory and will serve Him as before when the world had not yet become corrupted.*

Garabandal, Spain, 1961-1965:

[Mari Loli, Visionary] *“A great tribulation—which is not yet “The Chastisement”—will come because a moment will arrive in which the Church would give the impression of being on the point of perishing... due to a terrible trial. We asked the Virgin what would this trial be called, and She told us that it would be ‘Communism.’*

Akita, Japan, 1973-1979:

[Blessed Virgin] *The work of the devil will infiltrate even into the Church in such a way that one will see cardinals opposing cardinals, bishops against bishops. The priests who venerate me will be scorned and*

opposed by their confreres ... Churches and altars will be sacked; the Church will be full of those who accept compromises, and the demon will press many priests and consecrated souls to leave the service of the Lord. The devil will be especially implacable against souls consecrated to God.

The Chastisement:

Paris, France, 1830:

[Blessed Virgin] *The times are very evil. Sorrows will come upon France. The throne will be overturned. The whole world will be upset with miseries of every kind. Come to the foot of the altar. There, graces will be shed upon all who ask for them.*

Garabandal, Spain, 1961-1965:

[Conchita Gonzalez, Visionary] *“The punishment is conditioned to whether or not mankind heeds the Blessed Virgin’s messages and the miracle. If it does take place, then I know what it will consist of because the Virgin told me, but I am not allowed to say. What is more, I have seen the punishment. What I can assure you is that, if it comes, it is far worse than if we were enveloped in fire; worse than if we had fire above us and fire beneath. I do not know how long a time will elapse after the miracle before God sends it.”*

Akita, Japan, 1973:

[Blessed Virgin] *My daughter, listen well to what I have to say to you. You will inform your superior. As I previously told you, if men do not repent and better themselves, the Father will inflict a terrible punishment on all humanity. It will be a punishment greater than the deluge, such as has never been seen before ...*

Medugorje, Bosnia-Herzegovina, 1981-present:

[Blessed Virgin] *I have prayed; the punishment has been softened. Repeated prayers and fasting reduce punishments from God, but it is not possible to avoid entirely the chastisement. Go onto the streets of the city, count those who glorify God and those who offend Him. God can no longer endure that.*

Civil War/Revolution

La Salatte, France, 1846:

[Blessed Virgin] *France, Italy, Spain, and England will be at war; blood will be spilled in the streets. Frenchmen will fight against Frenchmen, the Italians against the Italians, then there will be a general war which will be dreadful ... For a time, God will no longer remember France nor Italy because the Gospel of Jesus Christ is no longer known. The evil ones will use all of their malice; people will kill each other, and they will mutually massacre each other, even within homes. Upon the first strike of His mighty sword, mountains and all of nature will tremble with fright because the disorder of man's crimes is piercing Heaven's vault.*

Paris will be burnt, and Marseille will be sunken. Many great cities will be shaken and engulfed by earthquakes. People will believe that everything is lost. One will see only homicides and will hear the noises of weapons and blasphemies ... The Church will be eclipsed; the world will be in consternation.

La Fraudais, France, 1873-1941:

[St. Michael the Archangel] *France is at the eve of its sorrows and of its joy: the sorrow for sinners, and the joy for the just ... It is the Lord Himself who exercises His Anger. It is only up to Him whether or not to chastise, but while chastising, He will purify the earth and His people. He will not spare anything. He will cultivate the earth for a new harvest.*

[Our Lord] *The first epoch will be the extend of evil on the eldest daughter of the Church: France. The second epoch will be the Church being invaded and the beginning of a terrible struggle in the Eternal City. This struggle in the Eternal City will last for five months until sad and grave consequences of death take finally place.*

My people, the laws will achieve their design, and France ... will become almost entirely 'Mahometan' and without religion ... It is during this troubled period of time that disgraceful laws will be promulgated, aiming, among other things, to establish a control of power upon religion, subjecting the Clergy to the revolutionary power, persecuting thus all opposing militants, involving surveillance ... Insufficient crops and calamities, such as torrential rains, will lead to great delays in agriculture, and these will be forewarning signs this revolution is to come ... In many a place, Satan will be publicly invoked ... The Christian judges will be replaced ... The traditional guardians of peace will no longer be able to circulate in cities ... It will be a signal for pillage ... a terrible civil war ... The Church will be deprived of its Head, and bells will no longer ring ... It will no longer be possible to return these

foreigners, for they will mix the dust of their kingdoms into the land of France. They will have the proud ambition to tear away the remainders of the treasures, honor, and dignity of France! ... Know that these men without faith, who only desire disorder and death, use the powder from the coal taken from hell ... When the government will see these upheavals and the revolt taking place, it will do like a bird and fly away, and France will see itself free to pursue its revolution ... France will receive no support. She will be alone ... The screams of despair will rise to Heaven. The months of the Sacred Heart (June) and of My Blood (July) will be the signal of the chastisements: Civil War.

[Blessed Virgin] ... I recommend to you to pray a great deal for the land of Jerusalem ... A bloody struggle will be declared thereupon, with on one side the King of the Persians, who will want possession in these lands ... My children, before the first crisis of the eldest daughter of the Church begins, there will be painful news from England, Persia, and Jerusalem. They will all suffer first major harm ... I predict that at the end of this troubling moment, there will be a new reign in the English land, and a choice will be made when suddenly death will strike those who hold the wheel of that kingdom. For that country, a great harm will come, and it will become divided into four parts, for their respective wills shall not be in agreement with the others ... Pray for this Roman land that will be cruelly persecuted: Spain, whose territory will be divided in two through an unjust theft and through countless betrayals. Spain will suffer such cruel events that none of its past revolutions would have seen the likes of this one.

Regional Wars

La Fraudais, France, 1873-1941:

[Blessed Virgin] My children, pray for Spain and for this Roman land. The governors of the latter, with all their power and designs, will want, at all costs, to take away from Spain the point that is facing their land. The Romans, pushed by their prince and governor, will march on the land of Spain with a powerful army. They will enter through its border with barbarism and cruelty ... This Prince, who will be supported by others from the Roman land, will feel strong and will be animated by violence against the land of Spain, which will refuse to see an agreement with them ... Upon Spain, Heaven has its designs as well. It is the King of this Kingdom, who ... will not fear to call the brother of the Royal Crown, whose both flags and hopes are similar ... this Catholic King will be forced to abandon his Kingdom for a few months ... before he will be able to return. His return will be a true triumph, which will reanimate Faith and hope.

[St. Michael the Archangel] The second and violent crisis will begin ... France will be invaded to the dioceses that begin Brittany. The strongest army will walk upon Orleans and invade spaces of the land,

which I cannot limit. In one single move, they will reach the outskirts of the great City ... They will strike fast towards the Center ... They will set their camp in that place, thus completing the ruin of poor France ...

[Our Lord] *In the north, they will go to the limits of Vendée and in Normandy. Brittany will not be invaded, but it will not be exempted of chastisement, especially in its un-Christianized northern region. The enemy will abandon themselves to pillage and vengeance ... They will come from the East and from the Mediterranean Sea, and many troubled situations will be announced as well in Italy and Spain due to forces that will come thereto from the Orient ... The national territory of France will be cut in two.*

[Blessed Virgin] *My children, my maternal heart is more and more shattered ... My kingdom of France becomes the center of all depths of evil, and to save it, how many victims! How much bloodshed! My kingdom, soon, will be divided. The children of France will become of another kingdom despite their pretention to remain French.*

Fatima, Portugal, 1916-1917:

[Blessed Virgin] *You have just seen the prodigy of a short while ago, the great miracle of the sun. And now proclaim in my name: A punishment will befall the entire human race ... What I revealed at La Salette, through the children Melanie and Maximim, I repeat today before you. The human race has sinned and trampled with its feet the gift that was bestowed on it. Nowhere does order reign. Satan has reached the very highest places and decides the march of events ... He will succeed in seducing the minds of great scholars, who will invent weapons with which it will be possible to destroy half of mankind in a matter of a few minutes. He will have powerful nations under his empire, and he will lead them to the mass production of these weapons.*

Plagues

La Salatte, France, 1846:

[Blessed Virgin] *Woe to the inhabitants of the earth! There will be bloody wars and famines, pestilences and contagious diseases; there will be rains made up of horrifying hailstones; there will be thunder that will shake the cities, earthquakes that will engulf countries.*

La Fraudais, France, 1873-1941:

[Blessed Virgin] *There will be serious diseases that human art cannot alleviate. This malady will attack the heart first, then the mind, and at the same time, the tongue. It will be horrible. The heat that will accompany it will be a consuming fire, so strong that the affected parts of the body will be of an unbearable redness. After seven days, this illness, like the seed sown in a field, will rise rapidly and make immense progress ... The disease will produce a continual uprising of the heart, vomiting.*

My children, this is the only remedy that can save you. Do you know Hawthorn leaves that grow in most hedges and have long and sharp tops? You must pick the leaves, not the wood. Even dry, they will retain their effectiveness. Put them in boiling water and leave them for 14 minutes, covering the container so that the steam remains. When the malady first attacks, you must use this remedy three times a day. My children, this disease will be very serious ... this sickness will mark the beginning of the period when there will be a foul smell emanating from all the crimes. If the remedy is taken too late, the affected parts will become black, and in this black, there will be yellowish pale streaks ... Very few people escape. The corpses will spread a stench that kills.

There will be great loss of animals on account of the 'Black' disease. The skin around the outside of their eyes will blacken. The area affected will be as wide as a finger and a half. The animals will refuse all food; a lot of water will flow from their eyes. This leaf could also be used for this ailment ... After you have used the leaf for yourselves, it could be applied to infected animals by putting it in whatever food they are eating or by boiling it in water

[Marie-Julie Jahenny, Visionary/Mystic] *"Put a medal of St. Benedict around the animals' necks. It is this great saint who has been designated by Our Lord to help in these two distressing calamities."*

[Jesus Christ] *I bless this plant (St. John's Wort), my Children. Collect it while it is still available; a lot of people will search for it and not find it. My little loving souls, always keep this plant because this name is so precious. This name is to Me a name of love. It is the name of the great Apostle, who adopted My Mother as his mother, and My Mother adopted him as her son.*

A medal with My Divine Heart, a medal where there is drawn the Adorable Cross; you will place in a glass of water these two images ... You will drink this water twice blessed, twice purified. One single drop in your food, one tiny drop, will suffice not to move away the affliction but the afflictions of My Justice ... I will console you in your pains and sorrows.

Natural Disasters

La Salatte, France, 1846:

[Blessed Virgin] ... *Nature demands vengeance for men, and she trembles with fright awaiting what must happen to the earth, which is soiled with crimes ... Tremble, Earth! ... Seasons will be changed. The earth will only produce bad fruit; the stars will lose their regular movement; the moon will reflect only a weak reddish light; water and fire will give the earth's globe convulsive movements, and horrible shakes that will engulf mountains and cities ... It is time! The sun is darkening; only the Faith will survive.*

La Fraudais, France, 1873-1941:

[Blessed Virgin] *There will be great collapses, especially in the Center (Paris). All these rich palaces, where all the profits of the nation are produced, the Lord will destroy them through a terrible chastisement under the form of the land collapsing ... All these tall buildings that are part of the bread of France will collapse. God will surprise those who work without thinking of Him nor of His Might, which gives everything on earth.*

[Jesus Christ] *My children, everything is at its saturation point. This is the time when my vengeance will be released. Place your right hand on the wound of my Heart, and you will be saved.*

[St. Michael the Archangel] *Happy are those who know when to abandon these walls (Paris), and who will seek refuge far away for that pitiful place where victims will amass themselves in countless numbers, where the plazas will be stained with blood as in rain falling down during a thunderstorm ...*

[Blessed Virgin] *My daughter, men light the fire, and Satan blows upon it ... The fire from Heaven will fall on Sodom (Paris) and particularly on this Hell-Room where evil laws are made; it will be swallowed up, and in its place will be such an immensely deep crater that no one, until the end of the world, will be able to approach it without feeling a gush of horror ... The fire of Heaven will mix with the fire of hell. Water there will be similar to fire. This place will collapse and will have an immense distance around ... There will only be left a crater so deep that none will be able to distinguish its depth, nor measure the immensity of its hollow! ... My children, 100 will not escape from this city ... not 100 in the midst of the immense guilty city ... Count 12 less from that number, and you will have the exact number ... Never a sorrow has been greater for me ...*

[Holy Spirit] *Never forget these words. From age to age, it will be repeated. Never will it be possible to build around (Paris) ... Never will these visible marks of God be forgotten on a land where there have been so many beautiful sanctuaries dedicated to the Blessed Virgin Mary.*

[Jesus Christ] *Red clouds like blood will ride across the sky. The crash of thunder will shake the earth. Sinister lightning will cut across the dense clouds in a season when they never occur. The earth will be shaken down to the foundations. The sea will raise thundering waves that will spread across the continent. Blood will flow in such abundance that the earth will become a vast cemetery. The corpses of the wicked and the righteous ones will litter the ground. The famine will be great. Everything will be in turmoil, and three-quarters of men will perish ...*

[Blessed Virgin] *When the rage of the 'unfaithful' will temporarily pause, a great disease will appear almost suddenly ... This chastisement will leave victims as if they were lifeless; they will continue to breathe without being able to speak, with skinless wounds as if severely burnt. This disease will be very contagious, and no one will be able to stop it ... This will be a punishment of the Lord to bring back many. There will be epidemics ... Very few people will be able to escape from them. The corpses will spread a horrid odor, which causes death ... I shall know how to protect all those who are mine.*

The earth will shake ... The earth will shake so violently that the people will be thrown 300 steps away ... Thunder will rumble more fiercely than in the months that will precede the end of the world with a strange noise ...

[Jesus Christ] *My children ... an extraordinary rain will be released, which the world has never seen before, and which it will never see again until the consumption of the centuries. It will be a red rain, which will remain coagulated on the ground for seven weeks ... which will give off a poisoned breath, a smell that no one will be able to stand ... My people will remain enclosed for seven weeks. After the storm, I shall make come out of the earth a horrible 'burning.' The Christian will not be able to stand this foul stench nor the heat. My children, you will open neither your window nor your doors. The reign of sin must finish! Never was the earth nor the world in such a state. This must be finished, or every soul will be lost ... Men have not listened to the words pronounced by My most holy Mother in Fatima. Woe to those who do not listen to My Words! ... Many men live in sin, very often the sin of impurity. Woe to those who seduce the innocent!*

Tilly-Sur-Seulles, France, 1886-1913:

[Blessed Virgin] *We must pray well because of the misfortunes and punishments that will happen. In France, two volcanoes will blow up, and mountains will collapse. The misfortunes of Martinique are nothing compared to all that will happen. I will see a great destruction of my people: I see many perish in*

flames, others by water, another by famine, plague, and war ... My children, all ... you see is nothing compared to the misfortunes and punishments of all kinds, which have been announced, and which they mock so much ... It will be necessary to repair the outrages committed on all sides. Most of them, on Sundays, do not go to Mass: that is what insults my Divine Son! The others blaspheme: that is what insults my Divine Son! Many others already outrage the Holy Tabernacle.

Tilly-Sur-Seulles, France, 1886-1913:

[Jesus Christ] *In many different places, little children will be slaughtered, even in the arms of their mothers. Many people will be destroyed by water, others by fire from the sky ... This is the last time that I warn you of all that will happen: War, plague, famine, and plagues of all kinds ... Everyone will have to suffer ... Your souls must wake up. It's time! It's the test!*

Fatima, Portugal, 1916-1917:

[Blessed Virgin] *If mankind does not take steps to stop him (Satan), I shall be obliged to let my Son's arm fall. And then, God will punish Man far more severely than when He did so by means of the Flood. The great and powerful will perish in the same way as the weak and small ... Fire and smoke will then fall from the heavens, and the waters of the oceans will evaporate; the spray will leap into the sky, and everything that is standing will sink. Millions of men will perish by the hour, and those who are left alive will envy those who have died ...*

Akita, Japan, 1973-1979:

[Blessed Virgin] *... Fire will fall from the sky and will wipe out a great part of humanity, the good as well as the bad, sparing neither priest nor faithful. The survivors will find themselves so desolate that they will envy the dead. The only arms which will remain for you will be the Rosary and the Sign left by My Son. Each day, recite the prayers of the Rosary. With the Rosary, pray for the Pope, the bishops, and the priests.*

Prescriptions to Slow, Shorten, or Ease the Chastisements

Paris, France, 1830:

[Blessed Virgin] *The ball you see represents the whole world, especially France, and each person in particular. These rays symbolize the graces I shed upon those who ask for them. The gems from which the rays do not fall are the graces for which souls forget to ask. Have a medal struck after this model (the Miraculous Medal). All who wear it will receive signal graces. They should wear it around their neck. Graces will abound for persons who wear it with confidence.*

La Salatte, France, 1846:

[Blessed Virgin] *If my people will not submit, I shall be forced to let the arm of my Son fall on them ... If sinners repent, the stones and rocks will turn into heaps of wheat, and potatoes will be sown by themselves.*

La Fraudais, France, 1873-1941:

[Blessed Virgin] *My children, it is blasphemy that brings hell on earth. I am in sorrow for the clergy. I see that in a great amount, and more so of priests, the mind weakens every day ... When you hear a blasphemy, say a "Glory Be." It is a consolation for Heaven.*

Pray much for the Church, for the priests and for sinners, for those who are going to rise up in disorder and re-crucify my Son. My children, make the Way of the Cross, which, in next to no time, will bring many souls to Heaven ... Receive often Holy Communion, and say the Rosary.

[Saint Michael the Archangel] *Scandals will go before your eyes. Only pray, and invoke the Divine Mercy. You must be prepared for everything. The heart of the Church is nothing more than an open wound ...*

[Jesus Christ] *To dispel all fears and fright, you must touch to your forehead an image or the sweet medal of Mary Immaculate (the Miraculous Medal). Your minds will remain calm. Your minds will not fear the approach of the terror of men ...*

Tilly-Sur-Seulles, France, 1886-1913:

[Jesus Christ] *Here, I ask for an hour every Friday, but an hour of adoration. They do not go ... and yet you must! I will give so many graces and lights when you have accomplished what I have just asked! ... Pray, my children! Come near My tabernacle. Come to adore this Heart, which suffers horribly because of your ingratitude! Oh, come and comfort My Heart! It is the channel through which all graces of love spread in souls, overflows. It is also the road which leads to the way to Heaven.*

Fatima, Portugal, 1916-1917:

[Blessed Virgin] *... I shall come to ask for the consecration of Russia to my Immaculate Heart and the Communion of Reparation on the First Saturdays. If my requests are granted, Russia will be converted, and there will be peace. If not, she will scatter her errors throughout the world, provoking wars and persecution of the Church. The good will be martyred, the Holy Father will have much to suffer, and various nations will be destroyed ... But in the end, my Immaculate Heart will triumph. The Holy Father will consecrate Russia to me, Russia will be converted, and a certain period of peace will be granted to the world ... When you recite the Rosary, say at the end of each decade: 'O my Jesus, forgive us our sins, save us from the fires of hell, and lead all souls to Heaven, especially those in most need of Your Mercy' ... Say to all in my name that those who: for five months, on the first Saturday, confess; receive Holy Communion; recite the Rosary; and keep Me company for 15 minutes while meditating on the fifteen mysteries of the Rosary in a spirit of reparation, I promise to assist at the hour of death with all the graces necessary for the salvation of their souls ... Pray, pray a lot and offer sacrifices for sinners. You know that many souls go to hell because there are none who pray for them.*

[Jesus Christ] *Ask that the devotion of the first Saturdays of the month in honor of the Immaculate Heart of Mary be recommended. The time is near when the rigor of My justice will punish the crime of many nations ... I desire most ardently the propagation of the cult of the devotion to the Immaculate Heart of Mary because the love of this Heart attracts souls to Me; it is the center from which the rays of My light and My love go through all the earth, and the unquenchable fountain from which the living water of My mercy flows into the earth.*

Akita, Japan, 1973-1979:

[Blessed Virgin] *... The only arms which will remain for you will be the Rosary and the Sign left by My Son. Each day, recite the prayers of the Rosary. With the Rosary, pray for the Pope, the bishops, and the priests.*

Garabandal, Spain, 1961-1965:

[Blessed Virgin] *You must make many sacrifices, do much penance. You must visit the Blessed Sacrament frequently, but first, you must be very good, and unless you do this, a punishment will befall you ... The Cup is already filling, and unless you change, a great punishment will befall you.*

[Blessed Virgin's message delivered by St. Michael the Archangel] *Previously, the Cup was filling up. Now, it is overflowing ... If you beg forgiveness with sincerity of soul, He will forgive you. I, your Mother, through the intercession of St. Michael the Archangel, want to tell you to amend your lives. You are now receiving the last warnings. I love you very much and do not want your condemnation. Ask sincerely, and we will grant your requests. You must make more sacrifices. Reflect on the Passion of Jesus.*

Medugorje, Bosnia-Herzegovina, 1981-present:

[Blessed Virgin] *Through fasting and prayer, one can stop wars; one can suspend the laws of nature. Charity cannot replace fasting. Those who are not able to fast can sometimes replace it with prayer, charity, and a confession, but everyone, except the sick, must fast ... Renounce all passions and inordinate desires ... Abandon yourselves to God without any restrictions ... Definitely eliminate all anguish... Love your enemies ...*

Resurrection and Restoration of the Church:

La Salatte, France, 1846:

[Blessed Virgin] *All of a sudden, the persecutors of Jesus Christ's Church and all the men self-given to sin will perish, and the earth will become like a desert; then peace will be made, as will the reconciliation between God and men; Jesus Christ will be served, adopted, and glorified. Charity will flourish everywhere. The new kings will be the right arm of the Holy Church, which will be strong, humble, pious, poor, zealous, and imitators of Jesus Christ's virtues. The Gospel will be preached everywhere, and men will make significant progress in the Faith because there will be unity among the laborers of Jesus Christ, and because men will live in the fear of God.*

La Fraudais, France, 1873-1941:

[Jesus Christ] *It will be in the third crisis that salvation will come. There will come from the center of His Sacred Heart the salvation, or rather, he who is destined to bring peace. With his crowning, all sorrows will cease. My children, he comes from the Branch of St. Louis, but this guilty Sodom does not possess him ...*

[St. Michael the Archangel] *This ball which serves as the throne to my feet, is the one where, in the midst of the Lord's Words of Glory, will sit he who men will fight against in combat, he who will be despised, and he, who in faith, will come at the feet of the mother of the Mother of God to renew his faith and his prayer.*

[Jesus Christ] *My Adorable Voice gathers My illustrious and generous combatants. As before in different circumstances, It has chosen true and generous warriors. This man of faith, who has suffered and hoped from the depths of exile, will, before many years, rise like a luminous flash. He will wait on French grounds for the arrival of the enemy's army, which will be astonished by the dark firmament ... In My designs, the savior sleeps in exile, embedded in the Fleur de Lys, which his spirit has so much dreamt of. Under a scattered sky filled with stars, he will bring triumph. His armies will be thirsty for the blood of those who My Glory calls, but Heaven will blind. Thunder will strike them without care. It is a long distance away from the siege soiled by the guilty man, and soiled again by even guiltier men through which I shall conduct, under a cloud of triumph, My elected, on this French land, where the enemies have sworn to give death to the savior of the kingdom, Henry of the Cross. His name is inscribed in the golden book.*

[Blessed Virgin] *He will come from the East ... He will pass despite the rampart, which will be raised against him, and his true combatants will fear nothing, for about them will float 'the Protection.' He will step over his enemies, whose blindness will have shattered them ... Henry will come forth all the way to the throne before the battle is finished ... but before stepping on his throne, he will see many weeks pass due to the difficulties to find someone to consecrate him ... The apostles of the Church will still be dispersed ... It is not a pastor of the Center (Paris) who will have the honor ... The pastor will be young: 45 years will not have yet sounded. He will come from the Diocese of Aix.*

[Our Lord] *From Heaven, you will see the triumph of the Church hovering over the forehead of my true servant, Henry of the Cross; (he) will comfort the destitute, renew the devastated priesthood, weakened and fallen like the branch under the saw of the worker. His charity will renew the priesthood; he will raise the statues of my Mother; he will remount the crosses insulted and cut into pieces.*

[St. Michael the Archangel] *This is how we march on the border of France, bearing the banner and the sword. I hold under my feet all the enemies of God and all Freemasonry. I shall exterminate them and the Justice of God will complete and will crush them under the weight of His Anger. Walking upon France,*

we shall accomplish our duties. When peace will be reestablished there, and the Kingdom of God begun, we shall walk towards Rome, since France must dedicate itself to the defense of the Holy See. The new and holy Pontiff will be a great deal more threatened than the one God picked up while carrying His Holy Temple on His Shoulders. They will attempt to put his days in danger, and if he does not become a martyr at the hands of the barbarians, it will be because God would have performed a brilliant miracle for him ... Then, King Henry V of the Cross will reign for a long period of time, and the Church will re-flourish under the pontificate of a holy Pope.

Tilly-Sur-Seulles, France, 1886-1913:

[Blessed Virgin] *Pray for the King who is coming ... In these days, you live under a regime of crime ... but France will go to the Sacred Heart ... This is the monarchy which will ensure the recovery of France in a new era because the royalty of France is traditionally a Christian regime ... The Republic will fall: it is the reign of Satan! ... Another world and another reign will come ... It is necessary to pray for the future King and for the Sovereign Pontiff ... The French Royalty, incarnated by Saint Louis and Joan of Arc, was decapitated ... it will be resurrected ...*

A Temporary Period of Peace:

La Salatte, France, 1846:

[Blessed Virgin] *This peace among men will not be very long ... abundant harvests will make them forget that the sins of men are the cause of all the trouble that comes to the earth. A harbinger of the Anti-Christ, along with the troops of many nations, will fight against the True Christ, the only Savior of the world. He will spill a great deal of blood and will want to destroy the cult of God to appear himself as a god. The earth will be struck by all sorts of wounds; there will be wars until the last war, which will be waged by the ten kings of the Ant-Christ, who will all have the same objective and who alone will govern the world. Before this happens, there will be a false peace in the world; everyone will only think to divert himself. The evil ones will commit all sorts of sins, but the children of the Holy Church, the children of the Faith, my true imitators, will grow in the love of God and in the virtues that are dearest to me. Happy be the humble souls led by the Holy Spirit! I shall fight with them until they reach the fullness of age ... A great king will rise on the throne and reign for a few years. Religion will flourish and spread throughout the world, and fertility will be great. The world, happy not to lack anything, will start its disorders again, abandon God, and will abandon itself to its criminal passions. Among the ministers of God and the*

spouses of Jesus Christ, there are some who will subject themselves to disorder ... At the end, hell will reign on earth. This is when the Anti-Christ will be born from a nun, but woe to her! Many people will believe in him because he will say to come from Heaven; woe to those who believe him! The time is not far off.

Fatima, Portugal, 1916-1917:

[Blessed Virgin] *But in the end, my Immaculate Heart will triumph. The Holy Father will consecrate Russia to me, Russia will be converted, and a certain period of peace will be granted to the world.*
