Except as expressly provided in this EULA, You may not otherwise make copies of the Software Product nor may You sell, license, or distribute copies of the Software Product.

4. Applicable Law. If You acquired this Software Product in the United States, this EULA is governed by the laws of the Commonwealth of Pennsylvania. If this Software Product was acquired outside the United States, then local law may apply.

5. Limited Warranty. The Seller warrants that the Software Product will perform substantially in accordance with the accompanying materials for a period of sixty (60) days from the date of receipt.

If an implied warranty or condition is created by Your state/jurisdiction and federal or state/provincial law prohibits disclaimer of it, You also have an implied warranty or condition, but only as to defects discovered during the period of this limited warranty (sixty days). As to any defects discovered after the sixty (60) day period, there is no warranty or condition of any kind. Some state/jurisdictions do not allow limitations on how long an implied warranty or condition lasts, so the above limitation may not apply to You.

Any supplements or updates to the Software Product provided to You after the expiration of the sixty (60) day Limited Warranty period are not covered by any warranty or condition, express, implied, or statutory.

Limitation on remedies; no consequential or other damages. Your exclusive remedy for any breach of this Limited Warranty is as set forth below. Except for any refund elected by the Seller, You are not entitled to any damages, including but not limited to consequential damages, if the Software Product does not meet the Limited Warranty, and, to the maximum extent allowed by applicable law, even if any remedy fails of its essential purpose. The terms of Section 7 below ("Exclusion of Incidental, Consequential and Certain Other Damages") are also incorporated into this Limited Warranty. Some states/jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to You. This Limited Warranty gives You specific legal rights. You may have others which vary from state/jurisdiction to state/jurisdiction.

Your exclusive remedy. The Seller's entire liability and Your exclusive remedy shall be, at the Seller's option from time to time exercised subject to applicable law, (a) return of the price paid (if any) for the Software Product, or (b) repair or replacement of the Software Product, that does not meet this Limited Warranty and that is returned to the Seller with a copy of Your receipt. You will receive the remedy elected by the Seller without charge, except that You are responsible for any expenses You may incur (e.g. cost of shipping the Software Product to the Seller). This Limited Warranty is void if failure of the Software Product has resulted from accident, abuse, misapplication, abnormal use, virus, or modification of the product's programming and code. Any replacement Software Product will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer.

6. Disclaimer of warranties. The limited warranty that appears above is the only express warranty made to You and is provided in lieu of any other express warranties (if any) created by any documentation or packaging. Except for the limited warranty and to the maximum extent permitted by applicable law, the Seller provides the software and support services (if any) *as is and with all faults*, and hereby disclaim all other warranties and conditions, either express, implied or statutory, including, but not limited to, any (if any) implied warranties, duties or conditions of merchantability, of fitness for a particular purpose, of accuracy or completeness or responses, of results, of workmanlike effort, of lack of viruses and of lack of negligence, all with regard to the software, and the provision of or failure to provide support services. Also, there is no warranty or condition of title, quiet enjoyment, quiet possession, correspondence to description, or non-infringement with regard to the software.

7. Exclusion of incidental, consequential and certain other damages. To the maximum extent permitted by applicable law, in no event shall the Seller be liable for any special, incidental, indirect, or consequential damages whatsoever (including, but not limited to, damages for loss of profits or confidential or other information, for business interruption, for personal injury, for loss of privacy, for failure to meet any duty including of good faith or of reasonable care, for negligence, and for any other pecuniary or other loss whatsoever) arising out of or in any way related to the use of or inability to use the software product, the provision of or failure to provide support services, or otherwise under or in connection with any provision of this EULA, even in the event of the fault, tort (including negligence), strict liability, breach of contract or breach of warranty of the Seller, and even if the Seller has been advised of the possibility of such damages.

8. Limitation of liability and remedies. Notwithstanding any damages that You might incur for any reason whatsoever (including, without limitation, all damages referenced above and all direct or general damages), the entire liability of the Seller under any provision of this EULA and Your exclusive remedy for all of the foregoing (except for any remedy of repair or replacement elected by the Seller with respect to any breach of the limited warranty) shall be limited to the greater of the amount actually paid by You for the software or U.S. \$5.00. The foregoing limitations, exclusions and disclaimers (including sections 4 and 5 above) shall apply to the maximum extent permitted by applicable law, even if any remedy fails its essential purpose.

9. Entire agreement. This EULA (including any addendum or amendment to this EULA which is included with the software product) is the entire agreement between You and the Seller relating to the software product and the support services (if any) and they supersede all prior or contemporaneous oral or written communications, proposals and representations with respect to the software product or any other subject matter covered by this EULA. To the extent the terms of any policies or programs for support services conflict with the terms of this EULA, the terms of this EULA shall control.

IN WITNESS WHEREOF, the parties have executed this EULA by their duly authorized representatives.
